“Does it all. I would highly recommend this product to anyone in the child care industry no matter the size or hours of”
 Chuck Wall, Owner, Robindell Private School

MANAGING Child Care and Early Education Is Not Child's Play.

CHANGE to iCare Software and it will feel like it.

www.icaresoftware.com

Manage your business like never before.

Bring together owners, administrators, teachers and parents with one application.

IT'S SO EASY. iCare is easy like online banking and social media.

“VERY EASY TO USE. GIVES A DIRECTOR EVERYTHING THEY NEED TO RUN THE CENTER.”

Pam Leslie, Executive Director, Creative World

6 ways iCare will impact you and your business...

- Build Customer Loyalty**
Improve parent engagement both in the office and classroom.
- Make a Parent's Day**
Share photos and notes and chat with parents throughout the day.
- Empower Your Teachers**
Offer tools that improve development outcomes and require minimal effort and distraction.
- Empower Yourself**
Make your business more profitable and easier to manage using automation, notifications, and reports.
- Stop Working Long Hours**
Reduce the time-consuming work of registration, enrollment, licensing, attendance, and accounting.
- Stop Losing Money**
Eliminate missed billing and cut out bad debt by using Direct Deposit.

“We have used iCare Software for our 14,000sq ft facility since Sept 2006. We love this software because it makes our business much more efficient.”

Lori Schell, Director/Co-owner Kids Cottage, LLC

MANAGING your office and classrooms with iCare Software—an easy path to success.

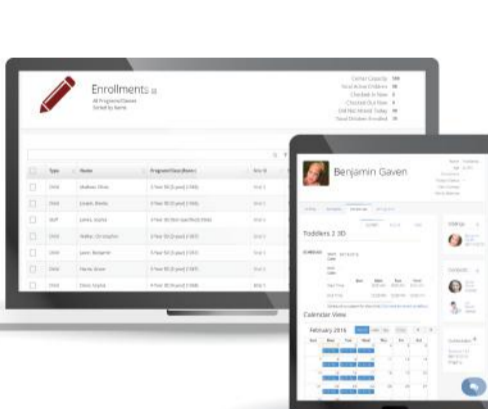

OFFICE

- Administration**
- ✓ Automate registration, medical records and fulfilling licensing needs.
 - ✓ Alerts and notifications at the right time to right people.

- Center Management**
- ✓ Management tools you need—dashboard, report center, wait search and advanced filtering, automated alerts and notifications, trends tool, and a center calendar.

- Secure Lobby**
- ✓ Check-in solution for lobby, bus, classroom or curb.
 - ✓ Includes signature or photo authentication, automatic door, and response to questions like lunch choice of the day.

SECURE LOBBY

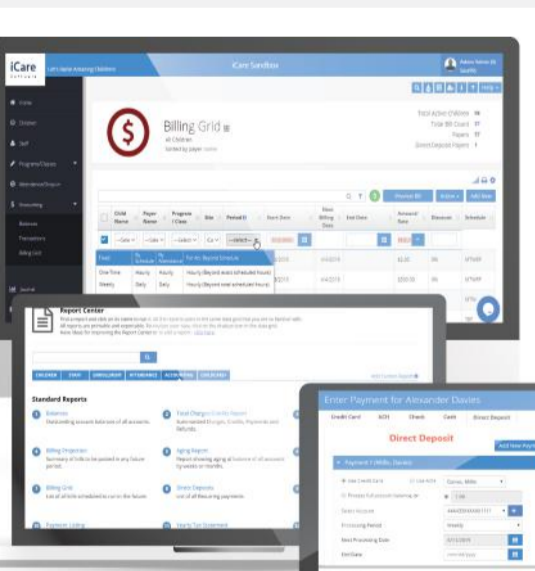

PROGRAM MANAGEMENT

- Enrollment**
- ✓ Manage programs/classes, enrollment capacity, waiting list, scheduling, and bills with very little work.

- Staffing**
- ✓ Match staff scheduling to enrollments and get insights into payroll and tracking certificates, training and records.

- Billing**
- ✓ Maximize your revenue by billing fully and accurately.
 - ✓ Fully automate billing with iCare's Billing Grid and Rate Chart Modeler.

ACCOUNTING

- Direct Deposit**
- ✓ Automate your payment collection.
 - ✓ Collect all tuition charges every single billing cycle on time and save money on processing fees.

CLASSROOM

- Journaling**
- ✓ Easily record children's activities and development milestones.
 - ✓ An organized way for implementing development standards and guidelines and engaging parents.
 - ✓ Substantially improve children's development outcomes.
- Instant Photos**
- ✓ Simply point, click and share pictures of a child at work or play. Or, share their artwork.

- Messaging**
- ✓ Build better team spirit, increase customer satisfaction.
 - ✓ Through emails, text messages, alerts, notifications, and Lobby questions improve communication between office, teachers and parents.

COMMUNICATION

- Alerts/Notifications**
- ✓ Absence alert, registration checklist, documentation renewal, immunization alerts, late payments, invoicing, and journal and photo dings.

PARENT-TEACHER ENGAGEMENT

- Teacher Portal**
- ✓ Instantly improve each teacher's role with journaling, implementing development guidelines, and parent-teacher engagement.

- Parent Portal**
- ✓ Freedom for parents to view child's journal and photos, self-register, enroll in programs, view account history, self-pay or set direct deposit.
